FAQs

Q: If my synagogue joins the program, are there any costs involved to join?

A: No. This is a NO Risk fund raising program. This means that your synagogue is only obligated to pay for the order that your synagogue places. Payment terms are net 30.

Q: How is this fund raiser different from others in the past?

A: Instead of selling cards to individual families, this is just one card. The synagogue (purchases the card from us) gives all the members of the community the opportunity to have their name listed in the card. Most organizations charge \$18.00 - \$36.00 for the listing. Naturally, the higher the price paid for the listing, the more money an organization will make.

Q: How many names fit on a card?

A: Using 8 pt type, we can fit about 80 names on a vertical card, and about 90 names on a horizontal. For a small additional fee, we can also add additional names on an insert. Please see enclosed sample card.

Q: If we have 50 names or less, can we use larger type?

A: Absolutely!

Q: What does it mean to *Reserve a Card*? Are we obligated to pay for that card, if our Fund Raiser isn't successful?

A: We get very busy in August, so in order to fit your order into our printing schedule, and provide you with fast delivery, we need to know your order is coming. Reserving a card will get you into our system. Once we receive your reservation, we will email you a confirmation, that we are holding that card, in your requested qty for your synagogue. If for some reason, this fund raiser doesn't generate any interest for your synagogue, you can cancel your reservation, without any obligation.

Q: Are there any Deadlines?

A: 1. Yes. All orders MUST BE IN BY Sept. 5th, 2019; to allow time to proof, print and ship the cards to you, and you will have enough time to mail the cards to members of your community BEFORE Rosh Hashanah on 9.29.19

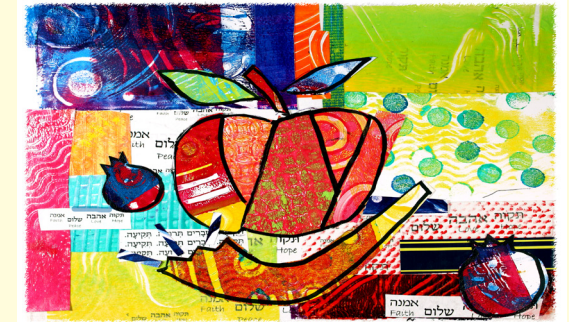

2. If you RESERVE a card before 6.15.19, you will be entitled to FREE Return address imprint.

Q: Can we do this for another holiday?

A: Absolutely!

JEWISH NEW YEAR CARD?**

It is a simple concept.

It is a Beautiful Jewish New Year Card that your synagogue sends to all of the members of your community.

HOW DOES IT WORK?

Your organization invites everyone in your community to make a small donation (we suggest \$18.00 - \$36.00) to be listed on the card.
